

Requirements for Mechanical Equipment, Appliances and Supports

Minimum For Interior A/C Change-out

- ☐ Permit application
- ☐ Data sheet

Minimum For Exterior A/C Change-out

- ☐ Permit application
- ☐ Data sheet
- ☐ Tie-down details
 - a. Signed/sealed original wind load calculations
 - b. Or the Missing Requirements Acknowledgement Form For Mechanical (located on the building permits page of the City's website)

* **Note:** Exterior a/c change-outs (which require tie-down details) will not pass their final inspection without providing original signed/sealed wind load calculations.
